"SKT's investment is a testament to the industry's growing consumer popularity and expanding interest in video and mobile User Generated Content," said FIX8 CEO, Linh Duy Tang. "We are proud to partner with a world-renowned telecom company that shares in our commitment to delivering innovative solutions for virtual communications across Internet, TV and mobile phones."

FIX8's premium content offerings include virtual communications technology that digitizes human

expressions via webcam in real time. Users can animate live video on IM services including MSN, Yahoo, AIM and Skype. FIX8 videos can also be saved and posted across Facebook, MySpace and YouTube. FIX8 Mobile will soon offer animated video chat and sharing on camera phones.

"Investing in FIX8 was a strategic decision based on the company's pioneering vision and technology leadership in the area of virtual communications coupled with explosive growth in mobile User Generated Content," stated the investment manager of SK Telecom. "We also look forward to continued collaboration with FIX8 as SKT introduces additional mobile UGC services across Korea."
